O R D E R:

At present pig iron quotas to ferrous foundries are allotted by the Director General of Industries and Supply, New Delhi on the recommendations of the Director of Industries and Commerce or the State Government with effect from Pd. I/51 (i.e. January-March) this procedure has been revised by the Government of India, According to this revised procedure there will be two quotas of pig iron (1) Central and (2) State. The Foundries have also been divided into the following classes.

(1) All foundries owned by the Central Government.

(2) All Railway foundries.

(3) All foundaries forming part of Steel Processing factories which are in the list of Directorate General of Industries and Supplies.

(4) M/s. Indian Iron and Steel Co., Ltd., Kulti.

(5) All foundries with whom contracts are entered into from time to time by the Directorate General of Industriesand Supplies.

(6) Others.

2. The foundries falling under classes (1) to (5) mentioned above will be retained in the list of the Director General of Industries and Supplies and will continue to get their allotments of pig iron from him on the recommendations of the Authorities concerned as at present. The foundries falling under class (6), i.e. others, will be transferred to the State Government's list and will be given pig iron allotments from a separate quota to be placed at the disposal of the State Government every quarter from Period I/51. The Government direct that the revised procedure of the distribution of pig iron to the foundaries formulated by the Government of India be adopted in the Madras State from period I/51.

p.t.o.

3. The Director of Industries and Commerce has proposed that the same procedure adopted in respect of allocation of iron and steel to the Steel Processing Factories transferred to the Government's list may also be followed in regard to the distribution of pig iron to the foundries transferred to this Government. The Director of Controlled Commodities has agreed to the proposal of the Director of Industries and Commerce. The Government accept the proposal and pass the following order:—

(1) The Director of Controlled Commodities shall intimate the Director of Industries and Commerce without delay the quota of pig iron allotted to the Madras State every quarter for distribution to the foundries transferred to this State Government's list;

(2) The Director of Industries and Commerce shall invite and scrutinise applications from the foundaries in the State Government's list, recommend quotas, to them and forward them to the Director of Controlled Commodities a list of such foundries showing the allocations recommended before the date prescribed therefor.

(3) On receipt of the list from the Director of Industries and Commerce, the Director of Controlled Commodities shall issue quota certificates of pig iron to the foundries under advice to the Director of Industries and Commerce.

(4) The Director of Industries and Commerce shall continue to forward and recommend to the Director of General of Industries and Supplies, New Delhi the applications for pig iron from the foundries in the Madras State which are retained in the list of the Director General of Industries and Supplies as at present.

(5) The Director of Controlled Commodities and the Director of Industries and Commerce are requested to follow the procedure laid down by the Director General of Industries and Supplies, New Delhi in his letter No.DN. (P.1) 35/25010468 dated 9/10/24-10-50.
